

Draft Agenda

**Transportation Research Board
Committee on Library and Information Science for Transportation - ABG40 (LIST)
Committee Meeting
Monday, January 24, 2011
8:00 a.m. – 12:00 p.m.
Hilton Washington – Columbia Hall 11 & 12**

Scope: This committee serves as a forum for transportation librarians and the transportation research community on developments in information science and their applicability to transportation. The committee facilitates diffusion of national library and information science innovations throughout the transportation community by monitoring the use of new resources and tools in the transportation arena, defining critical research and training issues relating to their implementation, and promoting the benefits of these capabilities.
